

The image shows a vertical toolbar from the Mimio software interface. The toolbar is divided into several sections. From top to bottom, the sections and their tools are:

- Selection:** Includes a selection tool (arrow) and a zoom tool (magnifying glass).
- Pen:** Includes a blue pen and a yellow highlighter.
- Eraser:** Includes a blue eraser and a blue line tool.
- Rectangle:** Includes a blue square and a blue circle.
- Equilateral triangle, Right triangle, Five pointed Star, Hexagon, Pentagon:** Includes a blue triangle and a blue text tool.
- Import file:** Includes a file icon with a red plus sign and a screen clipping icon.
- Color/Transparency Preview:** A preview window showing two overlapping rectangles.
- Line thickness:** A slider control.
- Color palette:** A grid of color swatches.
- Transparency:** A transparency control icon.
- Gallery:** Includes a gallery icon and a toolbar icon.
- Right click:** Includes a right-click icon and a right-click icon.
- Mouse:** Includes a mouse icon and a mouse icon.
