## STEM Solutions

PORTABLE STEM LAB

DOCUMENT CAMERA

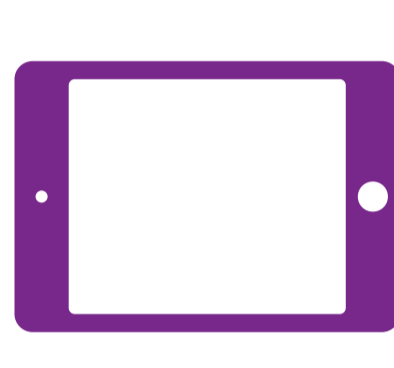

The key to students' success is not only to learn science, technology, engineering, and math, but also to understand how those disciplines apply to the world around them. Boxlight STEM learning solutions open the door to inquiry-based learning and help students connect and engage with science from wherever they are.

FORUMS

Having successful teachers is more than just providing them with technology—that's why we created our online educator community. Teachers can connect with peers, become involved in discussions on our forums, share and download lessons, and get answers to tech questions from our MimioConnect Masters. And it's all available at no cost.
