

The screenshot shows the MimioStudio Notebook interface with the following annotations:

- Toolbar:** A row of icons with arrows pointing to labels: Open, Save, Print, Cut, Copy, Paste, Delete, Undo, Redo, New Page, Previous Page, Next Page, Zoom In, Zoom Out, Zoom Full, and Full Screen.
- Thumbnail View:** A vertical panel on the left with the text: "Scroll through your lesson and select slides quickly using Thumbnail View." It contains a thumbnail icon labeled '1'.
- File Attachment Panel:** A vertical panel in the center with the text: "Drag and drop files to attach to lessons." It lists three files: "Atoms.doc", "MoleculeReview.pdf", and "balanceScale_v5.ink".
- Trash Can:** A trash can icon with the text: "Drag and drop content to Trash Can to delete." An arrow points from the File Attachment panel to the trash can.
- Right Panel:** A vertical panel on the right with the text: "Drag and drop content to Trash Can to delete." It contains a thumbnail icon labeled '1'.
